YOUR BOOKS®
Your Accounting Solution

ACCOUNTING · GST · INVENTORY · CLOUD

RUN YOUR BUSINESS, NOT YOUR BOOKS.

File GST in 2 clicks, send invoices in 30 seconds, and manage inventory — all from one cloud platform built for Indian MSMEs.

THE REALITY FOR INDIAN MSMES

Common Accounting Problems and How YourBooks Solves Them

1 GST Filing Eats Up Your Month

Late fees, typos in returns, missed ITC, and endless back-and-forth with your CA — every filing cycle becomes a fire drill..

YOURBOOKS

File GSTR-1, GSTR-3B & GSTR-9 in 2 clicks, with GSTR-2B reconciliation that claims 100% of your Input Tax Credit automatically

2 Invoices & Quotations Take Forever

Manual data entry, non-compliant formats, no follow-up on unpaid invoices — clients lose trust and you lose cash flow.

YOURBOOKS

Send GST-compliant invoices in 30 seconds, set recurring invoices on autopilot, and let auto-reminders chase payments for you

3 Inventory, Books & Tally Don't Talk

Stock in one system, expenses in another, Tally entries by your CA later — mismatched numbers, wasted hours, costly mistakes.

YOURBOOKS

One cloud platform for invoicing, inventory, expenses and GST — with two-way Tally sync so your CA stays in the loop without the chaos.
